

2014 WASHINGTON YOUTH CLAY SHOOTING STATE CHAMPIONSHIP

May 2-4, 2014

The 2014 Washington State Scholastic Clay Target Program State shoot is fast approaching. The State shoot will be held at the [Seattle Skeet & Trap Club](#) in Ravensdale, on the weekend of May 2nd thru 4th. We want to invite all existing SCTP & USAYESS teams, as well as any 4-H team, FFA team, Scout team, individual club/team and individuals who want to join either youth shooting organization.

Thanks to the generosity of the *MIDWAY Foundation* there will be endowment money for each qualifying team that attends, as well as endowment money for teams that place. The breakdown will be as follows;

- \$4000 – Attendance endowment to qualifying teams (**To qualify your team has to host or co-host a shoot this year**)
- Endowment for HOA TEAM --- CH=\$5000, 2nd=\$4000, 3rd=\$3000, 4th=\$2000, and 5th=\$2000
- \$5000 – Endowment for any new team that registers with the program

It takes a tremendous amount of effort and cost to host the Washington State Shoot, and one of the ways to offset that cost is the State shoot “*Program*”. Usually we ask businesses and companies to purchase ad space in the “*Program*” through a donation to the state organization. We would like to ask all teams for help by soliciting one or more, but hopefully at least one sponsor from their home town, who could show support for their local team by purchasing an ad space in this year’s Shoot “*Program*” Typically we would ask a \$50 donation for a 1/8th page size ad, \$75 for 1/4th page size ad, and \$100 for a 1/2 page size ad. If a sponsor provides us with a copy of their company’s logo in electronic format, along with any wording they might want the ad to say and the donation, we will make sure it gets into the program.

Sincerely,

Kevin Huggins

COACHES..... please calculate entry fees for all your athletes who are participating in each event, and collect the entry fees from them. You can then either mail the total entry fees to WASCTP prior to the shoot, or just send the deposit amount and pay the remainder the night of registrations. WASCTP will only collect money from the coaches for the entire team, not from shooters or parents. This greatly speeds up the registration process. Thank you.
